

MAKE BUZZ MOVE

FOLLOW THESE DIRECTIONS TO HELP BUZZ CATCH THE DONUT. THEN MAKE YOUR OWN FLIP BOOK!

YOU NEED:

- Buzz drawings
- Scissors
- Stapler
- Pencil

TRY IT:

- 1 Cut out the Buzz drawings. Stack them in order from 1 to 16. Staple the edge of the stack as shown.
- 2 With your left hand, hold the stack close to the staple. Use your right thumb to flip slowly through the drawings. Can you see how they change from one to the next?
- 3 To make Buzz catch the donut, flip through the pages fast!

NOW MAKE YOUR OWN CARTOON!

- 1 Turn over the flip book. On the first page, draw a simple object. On the second page, draw the same object again, but change its place on the page a little bit.

- 2 For the rest of the pages, make little changes to where the object is on the page.
- 3 Ready for action? Flip through the pages fast!
