Math in Science & Engineering

## STEP INTO CYBERSPACE

HOW CAN YOU STEP INTO CYBERSPACE? TRY THIS!

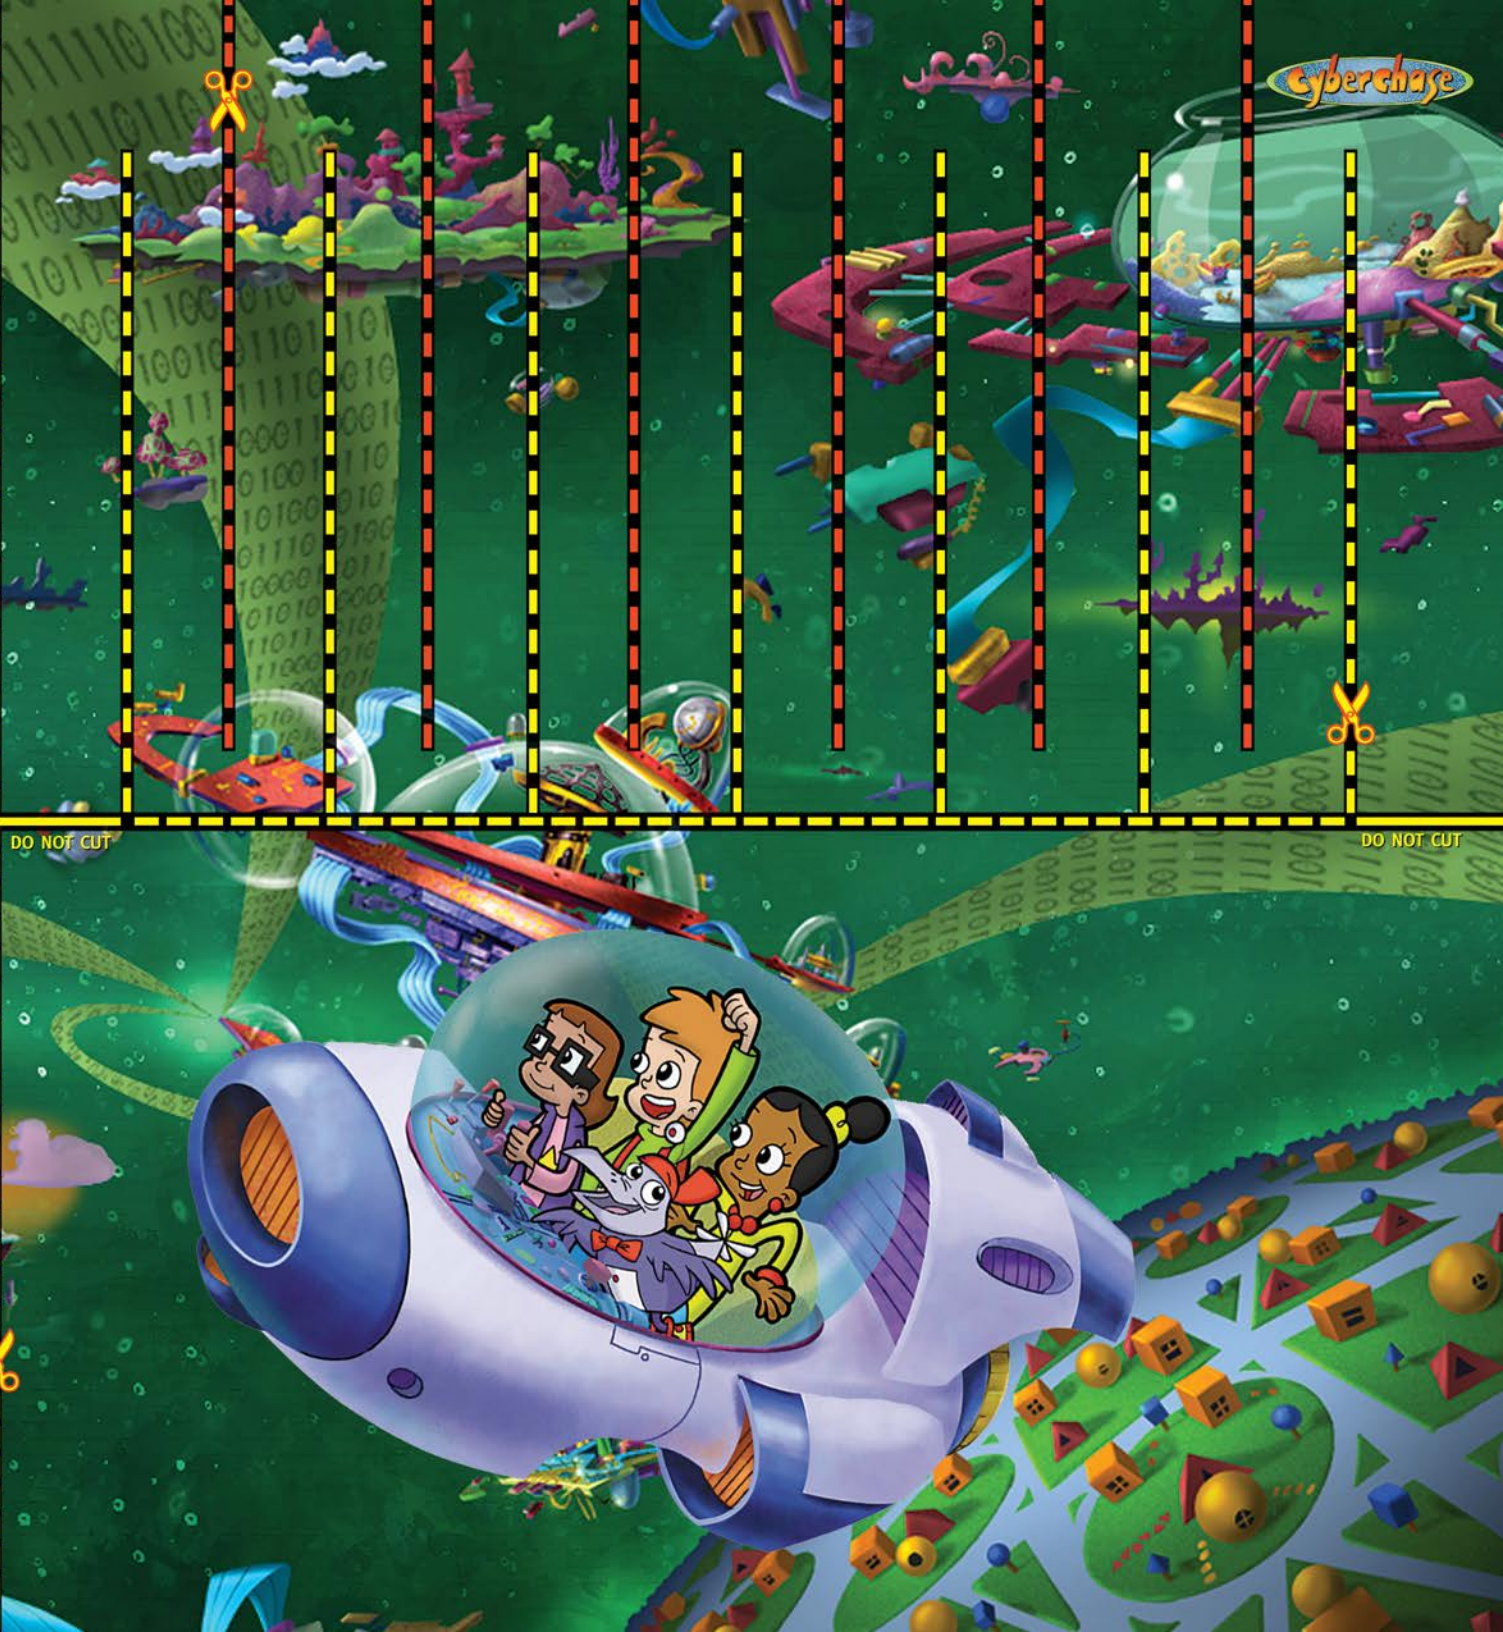

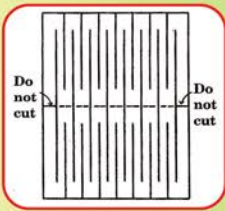

### YOU NEED

Scissors

### DIRECTIONS

1. Cut off the directions.
2. Fold the picture along the center yellow line.
3. Starting from the folded edge, cut along the yellow dotted lines. Do not cut past where the lines stop.
4. Starting from the open edge, cut along the red dotted lines. Do not cut past where the lines stop.
5. Unfold the paper and cut through the strips along the fold. DO NOT cut through the two end sections.
6. Stretch out the paper and... step into Cyberspace!

DO NOT CUT

DO NOT CUT
