Adding plants to a room is a great way that Landscape Designers bring the outdoors inside. Help decorate the green room by drawing some of your favorite plants.

How can you help take care of plants inside and outside? What do they need to survive?

Original Production Funding for Jamming on the Job is provided by a Ready To Learn Grant from the U.S. Department of Education through the Corporation for Public Broadcasting.

The contents of this podcast were developed under a grant from the Department of Education. However, these contents do not necessarily represent the policy of the Department of Education, and you should not assume endorsement by the Federal Government. The project was funded by a Ready To Learn grant [PR/Award No. R295A200004, CPDA No. 84.295A] provided by the Department of Education to the Corporation for Public Broadcasting.
