Let's Draw Zeke

Step 1:
Start by drawing Zeke's head.

Step 2:
Next, draw his body – and add two lines to make the stripes on his shirt.

Step 3:
Then add his arms, and a line across each to make his sleeves.

Step 4:
Now add his hands, and don’t forget his thumbs!

Step 5:
Add Zeke’s legs, and little lines for his toes.

Step 6:
Zeke’s ears come next—just little upside-down V’s!

Step 7:
Time to add his eyes and eyebrows.

Step 8:
Don’t forget his nose... and his little mouth!
Now Zeke’s all done!
