

Pinkalicious Mask

Grown-ups:

To assemble this mask, you will need scissors, string, and tape. Once you have cut out the mask, use your tape to adhere one end of the string to the inside of the mask (left side). Make sure the mask fits on your child's head before using your tape to stick the other end of the string to the inside of the mask (right side).

Corporate funding is provided by Kiddie Academy® and Homer
